Different Service Options for Your Needs

Family Law Solutions understands that one size does not fit all and finds the solution that is right for you. The perfect solution starts by choosing from one of our three service options:

- **Traditional:** For those looking for a typical pay-as-you-go option with an initial retainer. Services to be billed per each lawyer's hourly rate.
- **Subscription:** For those with less complicated finances and assets. A monthly fee covering a specified number of calls, meetings, and activities each month to keep costs down and procedures on track.
- **Concierge:** For those short on time who need a professional who can do more of the work. More services included at a higher premium with immediate access to senior counsel and expertise vital to high-net-worth individuals.
